Hi – Just seeing they're interested in Montrose. Are they mixing things up and thinking about the Palos Verdes shelf superfund site?

Any updates from NOAA on looping Padilla's office in on Monday's briefing?

Separately, would we be ready to brief Padilla's office on Montrose later next week?

Sonam

Good afternoon Angela, Craig and Sarah,

I've added my colleague Sonam Gill as well. Sonam works in our Region 9 office, and she can help facilitate a briefing on the Montrose Chemical Corp. Superfund site and the deep ocean disposal of DDT near the Palos Verdes Shelf. We will work with folks on our end, and let us know timing on your end and we will try to set something up soon.

Thank you,
Carolyn

Relatedly, we're hoping the briefing can cover the DDT barrel dump site that was found off the coast of Catalina. Thank you!

Hi Radha, happy Friday! We wanted to reach out to request a briefing on the Montrose Chemical superfund site in LA. Is that something you can facilitate? Thanks so much.

Angela
